

CHARVINE

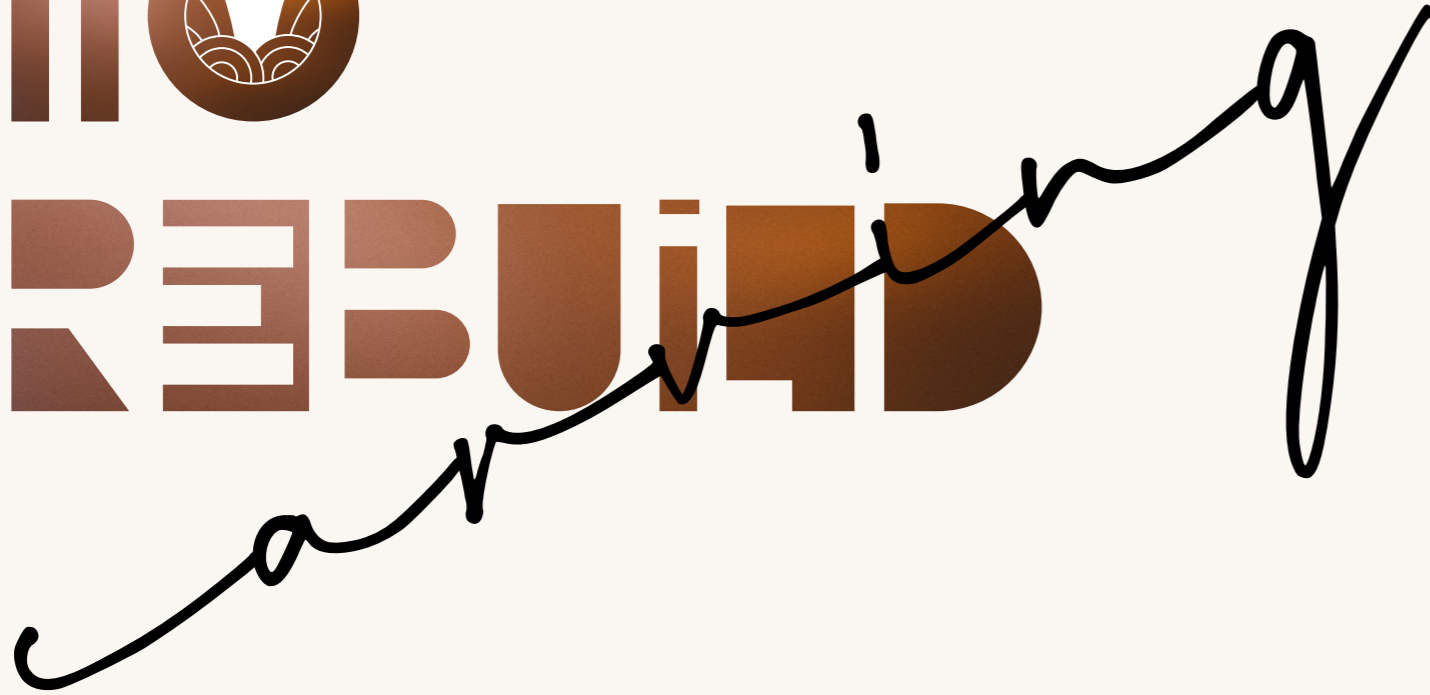

A large, stylized signature in black ink is written across the middle of the page. The signature starts with a wavy line on the left, moves up and right, and ends with a vertical stroke on the right. It overlaps the word 'CHARVINE' which is printed in a brown, textured font.

TIME

REBUILD

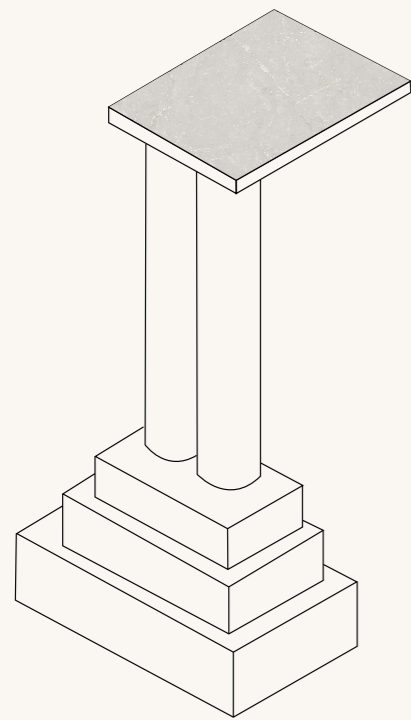

This collection is created, by combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, color, and decoration.

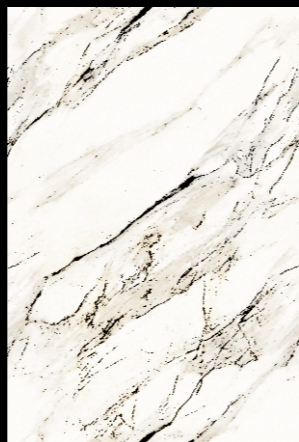

From these three elements new chapter is born, aiming to create a new style that can be exported all over the world. Just like the detailed and creative creations.

A Carved Change

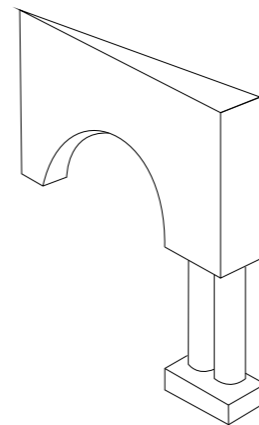

Through our carving series, we've tried to create an impact that not only stays in your space but also in everyone's mind. In spite of being a classical pick, it is curated to make your space look like a natural wonder.

An intensively carved surface.

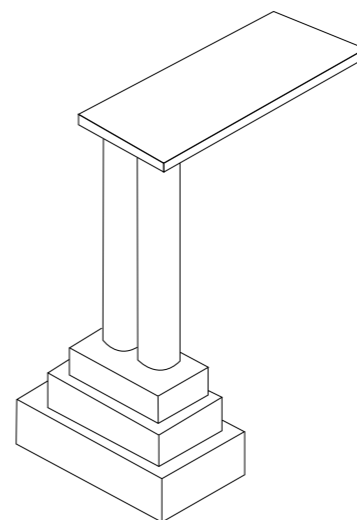

For extreme simplicity and sophistication.
